***The Friendship Force of Minnesota - Twin Cities (FFMNTC) offers opportunities for international and national group travel to visit other Friendship Force Clubs. These trips often involve home-stays with Friendship Force members. In turn, we invite other Friendship Force Clubs from other countries and states to Minnesota for a visit of one week or more. They stay in our homes during their visit, and we provide a program of activities for them. Our Club also offers local social, educational, and cultural programs throughout the year for members and their families and friends.***

***Thank you, and Welcome to the Friendship Force  
of Minnesota -Twin Cities***
